

Lifetime Reading List in Chronological Order

Part 1: Antiquity

For those who want to read only the minimum necessary to have a good background in the Classics, I have starred in red (*) the texts likely to be most useful in understanding later authors.

| Date Read | Author's Life Span | Author and Title |
|-----------|-------------------------|--|
| | c. 2150-2000 B.C. | * The Epic of Gilgamesh |
