

If you like David Morrell or Jack Higgins, you'll love this book!

"An addictive read, weaving together human drive, determination, and betrayal into a gripping whole." — **The Midwest Book Review**

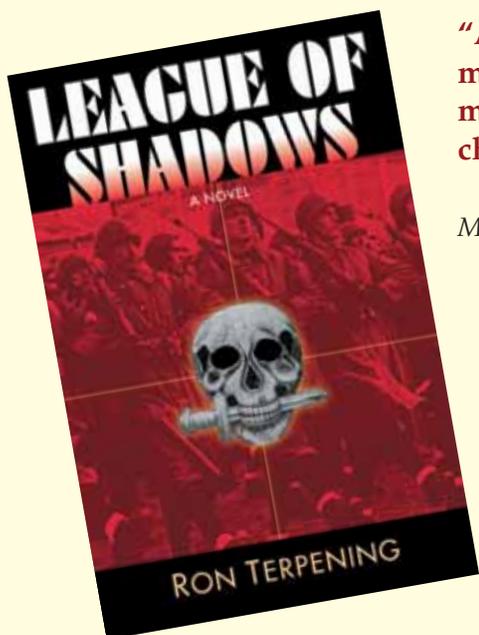

"Terpening does an excellent job of keeping the concurrent stories clear, and his historical descriptions are well researched. Fans of Jack Higgins's thrillers will enjoy. For most public libraries." — **Library Journal**

"a crackling good story" — **Steve Berry**, national bestselling author of *The Romanov Prophecy*

"a first-rate adventure novel" — **Stephen Mertz**, bestselling author of *Nightwind*

from

"the next Ken Follett" — **Suzy Smith** in *The Write Word*, author of *The Book of James*

"A terrific page-turner" from "a master of plot . . . who brilliantly makes memorable his gamut of characters."

— **Ron Argo**, author of *Year of the Monkey*, a novel of Vietnam

"An energetic, meticulously researched excursion into the world of classic wartime espionage. A great read."

— **Olen Steinhauer**, author of *The Bridge of Sighs* and *The Confession*

"Fabulously written." "A masterful espionage thriller ... a tale of crackling suspense that will keep even the most demanding of readers rabidly turning the pages. Fans of Jack Higgins will be clearing space on their bookshelves for the work of this hot new author."

— **Brad Thor**, national bestselling author of *State of the Union*, *Path of the Assassin*, and *The Lions of Lucerne*

"A smart, suspenseful novel in which the last secrets of the past must be revealed in order to save new victims in the present."

— **Thomas Perry**, national bestselling author of *Pursuit*
